Ball Size Size 3

The Game

- 6 v 6 (with Goalie)
- 4 quarters; 10 minutes long
- Breaks of 2 minutes between quarters; 5 minutes for halftime.
- **No Headers or Punts...** Goal Kicks are taken by a player from the top of the box

The Start of Play

- Games begin with Admin Meeting and a prayer at center field with teams.
- The start of play will be determined by a coin toss. The team that wins the toss will choose which goal they want to defend first. Kickoff will then alternate at the start of each quarter. Teams will switch goals after half time.

Ball In and Out of Play

- Throw-ins will be used to restart play when the ball wholly passes over the sidelines.
- Corner kicks/Goal kicks will be used when the ball wholly passes over the goal line (not a goal).

The Score

- No league standings will be kept. We want to emphasize fun, fellowship and instruction.

Fouls and Misconduct

- All penalty kicks and free kicks will be indirect with opponents at least 10 yards away. Any violation of this rule results in the kick being retaken.
- Referee should briefly explain all infractions.
- No offside rule in effect.
- In order to prevent injuries, no slide tackles are allowed.

Definition of Indirect Kicks:

- Indirect kicks must first touch another player before they can count as a goal. If an indirect kick is shot into the goal and does not touch another player first, the goal does not count and a free kick is awarded to the defending team.
- During free kicks, the kicker may not play the ball a second time until it has been touched or been played by another player. A kicker taking a penalty kick may not touch the ball if it rebounds off of a goalpost or crossbar until another player touches it.

Players

- Maximum number of players on the field at any time is 6 (5 + 1 goalie).
- No player should play goal keeper more than 2 quarters.
- Suggested max number on each roster is 12.
- Every player must play at least 50% of the game if they are physically able.
- Each team must have at least 4 players to begin the game. We strongly recommend playing the game even with borrowed players from the other team.

Substitutions

- Unlimited Substitutions, at midfield.
- Before goal kicks by either team, OR between quarters
- After a goal is scored by either team
- During an injury time-out
- Before a throw-in (by the team in possession of the ball). If the team in possession of the ball makes a substitution, then the other team may substitute.
- If a player is not injured but needs to come out of the game because of fatigue, cramps or is not feeling well, the coach may substitute at any time during the game at mid-field. The player coming out of the game must be off of the field before the substitute player may enter the playing field.

The Coach

- The coach will be responsible for all behavior issues related to players and fans. Coaches ARE NOT allowed on the field or behind the Goalies. Be responsible; please see that your bench area is cleaned after each game.
